Staff: Brent McLaughlin

Meetings Since Last Report:
In person Meeting – AGM – February 8, 2013
Teleconference – February 28th

General:
Since the last report, the Course Rating and Handicapping Committee had met in person at the AGM in Vancouver on February 8th and had a teleconference on February 28th to discuss the online handicapping.

- The Handicap & Course Rating work plan completed.
- Publish articles on Handicapping as part of the Blog ('Rules and Rants') for Golf Canada website.
- Complete information for Easy guide.
- Investigate the potential for the On-line Handicap Certification Seminar that is presently being used by the OGA.
- Course Ratings and Handicap Certification Seminars continue in full swing across the country.
- Evaluate the results of the change to ESC. Publish the findings to date with no significant changes to the handicaps of the Golf Canada Members.
- Continue to work on CRM with respect to Course Rating and Handicapping. Using the database to monitor the handicap licenses and the handicap certification.

Current Priorities:
- Investigate the on-line handicap certification seminar from the OGA.
- Investigate non-compliance issues and determine best approach to rectify the situation.

Future Scheduled Meetings:
Teleconference – June, 2013

Respectfully submitted,

Allison Chisholm
